Regarding: **Crystal Simple Green®**

Dear Sr. Muniz:

This letter certifies that Crystal Simple Green® complies with the U.S. Sanitation Performance Standards Compliance Guide. As such, Crystal Simple Green® is considered suitable for use in USA federally inspected meat and poultry plants and food processing facilities if used in a manner consistent with the label directions. Used in this manner, Crystal Simple Green® will not adulterate food products or create unsanitary conditions.

Before using Crystal Simple Green® in food processing areas, food products and packaging materials must be removed from the room or carefully protected. After using Crystal Simple Green®, all surfaces must be thoroughly rinsed with potable water. Please consult the product label for more specific application instructions.

*Note- This product is a cleaner, not a sanitizer or disinfectant. It has no bacteria, virus, mold, fungus or mildew killing capabilities. Use of this cleaning product must be followed by a potable water rinse.

Sincerely,

Carol Chapin
